SUBJECT: Mining and Reclamation Plan - Cane Creek Mine, Texas Gulf, Inc.,  
Grand County  
State Application Identifier #UT870923-050

Dear Mr. Filas:

The Resource Development Coordinating Committee of the State of Utah has reviewed this proposed action and the Division of State History comments:

We understand that this potash mine is already in operation. Given this fact, we have no comment concerning potential impact to cultural resources by this project. If additional land-disturbing activities occur, such as the construction of additional evaporation ponds or other facilities, we would be pleased to provide additional assistance or comments concerning cultural resources and any possible mitigation that might be required.

The above is provided on request as outlined by 36 CFR 800 or Utah Code, Title 63-18-37. If you have questions or need additional assistance, please contact Charles Shepherd at (801) 533-7039.

The Committee appreciates the opportunity of reviewing this document. Please address any other questions regarding this correspondence to Carolyn Wright (801) 533-4971.

Sincerely,

*Dale C. Hatch*
